

Croswell 160th Family Reunion:

Golden Age Sing-A-Long (1968-1993)

Consider Yourself – Oliver '68

Consider yourself at home
Consider yourself part of the family
I've taken to you so strong
It's clear we're going to get along
If it should chance to be
We should see some harder days
Empty larger days. Why grouse?
Always a chance we'll meet
Somebody to foot the bill
Then the drinks are on the house!
Consider yourself our mate
We don't want to have no fuss
For after some consideration, we can state
Consider yourself one of us!

Over the Rainbow - Wizard of Oz '68-'69

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me
Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow
Why then, oh, why can't I?

Almost Like Being in Love - Brigadoon '70

What a day this has been!
What a rare mood I'm in
Why, it's almost like being in love
There's a smile on my face
For the whole human race
Why, it's almost like being in love

All the music of life seems to be
Like a bell that is ringing for me
And from the way that I feel
When that bell starts to peal
I could swear I was falling
I would swear I was falling
It's almost like being in love

Big Spender - Sweet Charity '71

The minute you walked in the joint
I could see you were a man of distinction
A real big spender
Good lookin', so refined
Say, wouldn't you like to know what's goin' on in my mind?
So, let me get right to the point
I don't pop my cork for every guy I see
Hey, big spender
Spend a little time with me

Oklahoma - Oklahoma '72

Oklahoma, where the wind comes sweepin' down the plain
And the wavin' wheat, can sure smell sweet
When the wind comes right behind the rain
Oklahoma, ev'ry night my honey lamb and I
Sit alone and talk, and watch a hawk
Makin' lazy circles in the sky
We know we belong to the land
And the land we belong to is grand
And when we say
Yeeow A-yip-i-o-e-ay
We're only sayin'
You're doin' fine, Oklahoma
Oklahoma, O.K

Some Enchanted Evening - South Pacific '73

Some enchanted evening
You may see a stranger
You may see a stranger across a crowded room
And somehow you know
You'll know even then
That somewhere you'll see her, again and again

Some enchanted evening
When you find your true love
When you feel her call you across a crowded room
Then fly to her side
And make her your own
For, all through your life, you may dream all alone
Once you have found her, never let her go
Once you have found her, never let her go

The Impossible Dream - Man of La Mancha '75

To dream the impossible dream
To fight the unbeatable foe
To bear with unbearable sorrow
To run where the brave dare not go
And the world will be better for this
That one man, scorned and covered with scars
Still strove, with his last ounce of courage
To reach the unreachable star!

A Bushel and a Peck - Guys & Dolls '76

I love you bushel and a peck
A bushel and a peck and a hug around the neck
Hug around the neck and a barrel and a heap
Barrel and a heap and I'm talkin' in my sleep
About you, About you
'Cause I love you a bushel and a peck
You bet your pretty neck I do
Doodle-oodle-oodle
Doodle-oodle-oodle
Doodle-oodle-oodle doo

If I Loved You - Carousel '77

If I loved you time and again I would try to say
All I'd want you to know
If I loved you words wouldn't come in an easy way
Round in circles I'd go!
Longin' to tell you but afraid and shy
I'd let my golden chances pass me by!
Soon you'd leave me
Off you would go in the mist of day
Never, never to know
How I loved you
If I loved you

Mame - Mame '78

You coax the blues right out of the horn, Mame
You charm the husk right off of the corn, Mame
You make the old magnolia tree
Blossom at the mention of your name
Your special fascination'll prove to be inspirational
I think you're just sensational, Mame

Day by Day - Godspell '79

Day by day, day by day
Oh Dear Lord
Three things I pray
To see thee more clearly
Love thee more dearly
Follow thee more nearly, day by day
Day by day, day by day
Oh Dear Lord
Three things I pray
To see thee more clearly
Love thee more dearly
Follow thee more nearly, day by day
Day by day, by day by day by day

There's No Business Like Show Business - Annie Get Your Gun '80

There's no business like show business
Like no business I know
Everything about it is appealing
Everything that traffic will allow
Nowhere could you get that happy feeling
When you are stealing that extra bow
There's no people like show people
They smile when they are low
Yesterday they told you, you would not go far
That night you open and there you are
Next day on your dressing room they've hung a star
Let's go on with the show!

Another Op'nin', Another Show - Kiss Me, Kate '81

Another op'nin', another show
In Philly, Boston or Baltimoe
A chance for stagefolks to say "hello"
Another op'nin', another show

Four weeks, you rehearse and rehearse
Three weeks and it couldn't be worse
One week, will it ever be right?
Then out of the hat, it's that big first night!
The overture is about to start
You cross your fingers and hold your heart
It's curtain time and away we go
Another op'nin', another show

Stranger In Paradise - Kismet '82

Take my hand, I'm a stranger in paradise
All lost in a wonderland, a stranger in paradise
If I stand starry-eyed, that's a danger in paradise
For mortals who stand beside an angel like you

Do-Re-Mi - Sound of Music '83

Doe, a deer, a female deer
Ray, a drop of golden sun
Me, a name I call myself
Far, a long, long way to run
Sew, a needle pulling thread
La, a note to follow sew
Tea, a drink with jam and bread
That will bring us back to Do
Do Re Mi Fa So La Ti Do

Till There Was You - Music Man '84

There were bells on the hill
But I never heard them ringing
No, I never heard them at all
Till there was you
And there was music
And there were wonderful roses
They tell me
In sweet fragrant meadows of dawn and dew
There was love all around
But I never heard it singing
No, I never heard it at all
Till there was you

Matchmaker - Fiddler on the Roof '85

Matchmaker, matchmaker, make me a match
Find me a find, catch me a catch
Matchmaker, matchmaker, look through your book
And make me a perfect match
For Papa, make him a scholar
For Mama, make him rich as a king
For me, well, I wouldn't holler
If he were as handsome as anything
Matchmaker, matchmaker, make me a match
Find me a find, catch me a catch
Night after night in the dark I'm alone
So strike me match of my own

Give My Regards to Broadway - George M. '86

Give my regards to Broadway
Remember me to Harold Square
Tell all the gang at 42nd street
That I will soon be there
Whisper of how I'm yearning
To mingle with the old time throng
Give my regards to old Broadway
And say that I'll be there ere long

If Ever I Would Leave You - Camelot '87

If ever I would leave you, it wouldn't be in summer
Seeing you in summer, I never would go
Your hair streaked with sunlight, your lips red as flame
Your face with a luster that puts gold to shame
If ever I would leave you, how could it be in springtime
Knowing how in spring I'm bewitched by you so
Oh, no, not in springtime, summer, winter, or fall
No never could I leave you at all

I Could Have Danced All Night - My Fair Lady '89

I could have danced all night
I could have danced all night
And still have begged for more
I could have spread my wings
And done a thousand things
I've never done before

I'll never know what made it so exciting
Why all at once my heart took flight
I only know when he began to dance with me
I could have danced, danced, danced all night

Hello, Dolly! - Hello, Dolly! '90

Hello Dolly! Well, Hello Dolly!
It's so nice to have you back where you belong
You're looking swell, Dolly
We can tell, Dolly
You're still glowin', you're still crowin'
You're still goin' strong
We feel the room swayin'
For the band's playin'
One of your old fav'rite songs from 'way back when so
Take her wrap, fellas
Find her an empty lap, fellas
Dolly'll never go away again

Getting to Know You - The King and I '91

Getting to know you, getting to know all about you
Getting to like you, getting to hope you like me
Getting to know you, putting it my way but nicely
You are precisely my cup of tea
Getting to know you, getting to feel free and easy
When I am with you, getting to know what to say
Haven't you noticed suddenly I'm bright and breezy?
Because of all the beautiful and new
Things I'm learning about you
Day by day

Tonight - West Side Story '92

Tonight, tonight
Won't be just any night
Tonight there will be no morning star
Tonight, tonight
I'll see my love tonight
And for us, stars will stop where they are
Today, the minutes seem like hours
The hours go so slowly
And still the sky is light
O moon, grow bright,
And make this endless day endless night tonight!

Let Me Entertain You - Gypsy '93

Let me entertain you
Let me make you smile
Let me do a few tricks
Some old and then some new tricks
I'm very versatile!
And if you're real good
I'll make you feel good—
I want your spirits to climb
So let me entertain you
And we'll have a real good time
Yes sir!
We'll have a real good time!

Tomorrow - Annie '91-'92 Showcase

The sun'll come out tomorrow
Bet your bottom dollar that tomorrow
There'll be sun!
Just thinkin' about tomorrow
Clears away the cobwebs and the sorrow
'Til there's none!
When I'm stuck with a day that's gray and lonely
I just stick up my chin and grin and say
Oh! The sun'll come out tomorrow
So ya gotta hang on 'til tomorrow come what may
Tomorrow! Tomorrow! I love ya tomorrow!
You're only a day away
Tomorrow! Tomorrow! I love ya tomorrow!
You're only a day away
